Introduction to the Yearbook

Dear Classmate,

We were the first class to graduate from the “New CHS” back in 1960. Unfortunately, our Senior Class did not have a yearbook. We held our 40th Class Reunion back in the year 2000. I had collected about 100 graduation photos of our classmates by then, and used them to create a “Class of 1960” Yearbook for that event.

That version of the Yearbook caused a number of classmates to send in more graduation photos, along with newspaper articles, snapshots of us back then, snapshots from previous Reunions, and snapshots of us now. So the version of the Yearbook for the 50th Class Reunion features 300 graduation photos, and many photos, as well as pamphlets and handouts from our High School years. Also included are photos from our Prom, Graduation, and other events, as well as your responses to the Reunion Survey. Given that our graduation class had about 433 members, 300 graduation photos is a big step forward from the 100 of the last version.

For the 50th Reunion, we have a website, which can be found at:
<https://sites.google.com/site/chs1960reunion50/>

This Yearbook DVD contains the material from that website. The Reunion committee decided not to print hardcopies of the Yearbook because its size would make it very expensive. With the DVD, you can print out the entire thing, or just the portions that you prefer.

Please help make the version of the Yearbook for our next Reunion (maybe 2015 or 2020) even better, by sending me any graduation photos or other material that you may have, which are not currently included, but which would enhance the next revision. Let's try to get graduation photos or snapshots of all 433 classmates, and reduce the list of “Missing Classmates” to zero. I will return any photos or materials that you send. My contact information is listed below. Of course, if you can scan the material electronically, and just send me the electronic versions via email, that would be even better.

The Reunion Committee hopes you enjoy this 50th Reunion Yearbook. Remember, our High School experience and the years since 1960 are only preparation for what is coming next --- THE REST OF OUR LIVES! We wish you the best.

A DATE TO REMEMBER: MARCH 17, 1958

Early on the morning of March 17, 1958, His Excellency, Most Reverend Christopher J. Weldon, D. D., blessed and broke ground for the new Cathedral High School. Though the hour was early, a surprisingly large turnout of Prelates, Priests, Sisters, students and lay people were present for this epoch-making event.

At the completion of the ground-breaking ceremony, the giant earth movers with their engines shattering the silence of the early morning, began to strip the top soil and to prepare the foundation cuts for the new \$5,000,000 Cathedral High School. Mr. Daniel J. O'Connell, president of the Daniel J. O'Connell, Sons, the firm which was awarded the contract to build the new school, was on hand to direct this initial phase of construction.

In his remarks, His Excellency, Bishop Weldon, expressed his thanks to Almighty God, to his Priests, Sisters and lay people for their assistance in making this long sought dream a reality.

We are happy to announce that over \$1,500,000 has been collected to date to underwrite the cost of this new center of education. It is the earnest prayer of our Bishop, Priests, sisters and children, that every adult in the Greater Springfield area will do his and her part in contributing to this much needed project. The Campaign to raise funds began in May 1957 and will close June 1959.

We humbly petition your prayers that the good lord will move all of us to do our share - even if it means a little sacrifice.

Cathedral High School seniors are shown at an orientation session today at the new high school. Sister Mary Eugene, S.S.J., discussed the need for the development of correct attitudes toward authority. Students who will be driving cars to and from school applied today for special stickers. Rev. Timothy J. Leahy, director, impressed on the applicants the necessity for good driving habits, particularly since Memorial School, an elementary public school, is located next to the new high school.

Shea Kicks Up Storm

Hugh Moriarty Stars In Overtime Triumph For Cathedral, 46-44

Surprise Starter Scores 19 Points and Gets Winning Basket as Panthers Nip Tech Before 2800

By GARRY BROWN

Smooth southpaw Hugh Moriarty jumped out of coach Billy Wise's bag of tricks and went on to become a hero as Cathedral nipped Tech, 46-44, in an Interscholastic League overtime tussle before 2800 at the Field House Friday night.

Everyone expected that Red Moriarty of Tech would be a key figure in this one, but instead, it was Cathedral's Hugh of the same name who took charge. He pumped 19 points—relying mainly on a deadly corner one-pointer—and collected what proved to be the deciding basket in the unbelievable overtime period.

Had Been On Bench
Yes, unbelievable is the word for that three-minute extra session, because only two points were scored—on a corner pop by Mr. Moriarty.

What makes Hugh's feats in this clutch game the more noteworthy is the fact that he had been gathering bench slivers since early in the season. He opened the campaign as a regular guard, but gradually lost his job.

Thus, Wise pulled a surprise when he started the little lefty at forward—and Moriarty was more than a surprise to Tech. He was murder.

Oakley proved to be the leading Tech scorer with 15.

The game had everything, including an overtime foul shot by Tech's Ben Lester which simply laid on the back rim, refusing to go in or come down. A jump ball was called because of it.

The victory gives Cathedral the city lead at 3-0. Tech now stands 2-1.

In the opening game, Classical's superior board strength led the way to a 64-49 victory over Commerce. John Cannon scored 23 for the Bulldogs. Summary:

Tech Had Cathedral, but 'Let 'Em Off the Hook'

PANTHERS GLAD, SAD, AND MAD: Cathedral players displayed all kinds of emotion during and after last night's 46-44 overtime victory over Tech. Top, the Panther starters whoop it up with their lucky "mascot" (Good grief, it's Charlie Brown). Left to right: Hugh Moriarty, Ralph Moore, Mike Shea holding the little figure of the "Peanuts" character, Shorty Anderson, and Bill Wise. Bottom: The Cathedral bench comes alive during the overtime. Coach Wise, left, signals ten seconds to one of the players, while the subs alternately applaud, shout encouragement, and look worried about proceedings.

Cathedral Wins, 46-44, in Ragged Overtime Battle; Key Men Are Hugh Moriarty, Charlie Brown

By JOHN F. CHEVALIER

Ragged basketball, stemming from overanxiety on both sides, resulted in both Tech and Cathedral fumbling opportunities in last night's important Interschool basketball game.

After both teams let sizable leads slip through their fingers, Cathedral's quintet of "specialists" came forward to claim victory, 46-44, in overtime.

TRYING TOO HARD

The immediate reaction of Gerry Foley, Tech coach, was that "We let 'em get off the hook." We had the game won in the last period.

Cathedral players had similar feelings. "We had the bunglers by 10 points in the first half," said Billy Wise, Jr. "We should've romped."

Occasionally the city rivals performed as if they were trying to give away the victory, but actually both teams were playing harder than ever. Neither side could hit consistently on short shots, and that made it a choppy game.

Cathedral had a rebounding advantage, with Ralph Moore, who controlled the defensive board; two solid guards and ball-hawking experts in Wise and Mike Shea; and a pair of shooters in Hugh Moriarty and Shorty Anderson. Unfortunately for the Panthers, Anderson had very little success with his shot.

Little Tom Oakley carried Tech's offense on his shoulders as the team came from behind in the third period. He couldn't do it alone, however, as tall teammates Ed Moriarty, Rene Trudeau, and Ben Lester suffered the shooting blues.

of a close game, when they have been calling blocking fouls on the same contact all night. It's just another protest on basketball's most difficult call, and coaches cool off the day after a big game.

The Panthers have a 3-1 record since Christmas, when guard Mike Shea received a "mascot" for the team as a present. Shea was given a small rubber statue of Charlie Brown, the hero (?) of Charles Schulz' comic strip "Peanuts." Shee has brought Charlie to the games with him. Cathedral's record has improved. The Panthers are now 3-0 in the city and Tech is 2-1. Charlie Brown was a gift from Cathedral Chronicle editor Mike Storin, and all Tech can say is "Rats."

Classical moved to third place in the Interschool race with a 64-49 victory over Commerce in the opener on the Field House program. John Connor, who went the distance for the Bulldogs, piled up 23 points. Classical led 19-16 after the first period in which both sides passed and shot accurately. Commerce fell behind when it was forced to foul.

Proud Panthers Whoop It Up After Upsetting Classical

With a score of interests ranging from the basketball court to the newspaper comic strips, seniors Michael Anderson and Hugh Moriarty comprise the twosome on which the January spotlight focuses its beam.

After mulling over a few events Moriarty decided that his biggest thrill was positioning on the Union Church basketball team when it copped the Interchurch league title.

The most embarrassing experience for the OLSH parishioner occurred the day he went out to the pitcher's mound and forgot his glove.

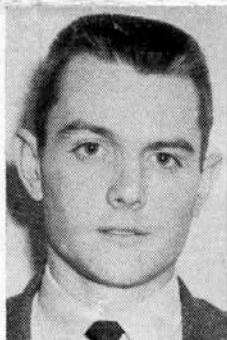

The 5'11" college prep student asserts that his chief ambition is to become one of the leading book publishers in the country.

Hugh, who hopes to enter Springfield college next fall, gained his initial experience by participating on Union Church, North End Merchants, and Our Lady of the Sacred Heart basketball teams.

The Panther diamonder doesn't have any particular hobbies, but the two-year cage veteran has received trophies for winning various divisional championships both on the mound and on the hardcourt.

Anderson

Hugh Moriarty

Anderson, who explained that he was tabbed with his nickname "Shorty" because he used to wear short pants, declared that his biggest thrill was defeating basketball teams from the Berkshires and Worcester.

The 6'2" college prep student affirmed, "My most embarrassing experience was getting hit on the back with a pass in this year's Thanksgiving day encounter with Westfield."

The three-year Panther hoopster who hopes some day to appear on TV with "Big Otis" asserted that he was introduced to organized basketball as a member of Harry's Honks J.C.C., and Holy Name roundball teams.

Concluding the friendly chat, "Shorty," who hopes to attend Providence college next September stated, "I thoroughly enjoy the art of propelling a cue ball around a table of green felt, and I always anticipate reading about the doings of 'Charlie Brown' in 'Peanuts.' "

Tech Hopes 'Flu' Out Window

Cathedral Wins on Anderson's Shooting and Wise's Surprises

By JOHN F. CHEVALIER

As a result of last night's Field House action, Classical remains one game ahead in the Interschool basketball race but the list of serious challengers is down to one—Cathedral.

The Panthers jolted Tech, 49-38, to knock the Tigers two games behind with only two remaining. An analysis of the contest would show that Cathedral won for the following reasons:

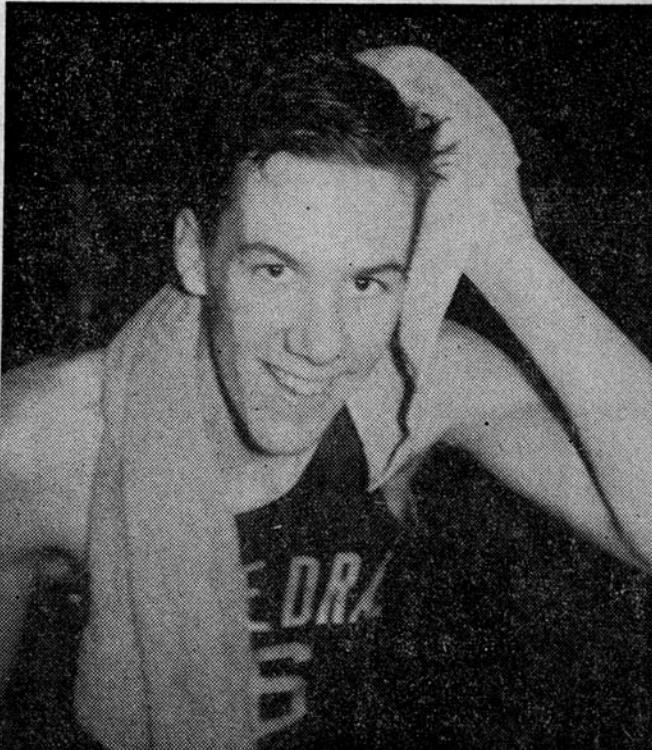

1. Mike Anderson, with his shooting eye sharpened up again, fired 28 points against the Tech zone.

2. Cathedral coach Billy Wise dipped into his bag of tricks and came up with two surprises for his opponents—a man-to-man defense and a new starter in Jim Clarke.

3. The flu bug crippled Tech again. Ben Lester was unable to play and Ed Moriarty was too weak to help the Tiger cause very much.

In last night's opener, Classical defeated Commerce 53-45 to hike its city record to 5-1. Cathedral now stands 4-2 and Tech 3-3.

The Tigers still have a slim chance to get caught in a three-way tie for the title. In order for all contenders to finish with 5-3 records, Cathedral and Trade would have to beat Classical and Commerce would have to upset Cathedral.

A NEW MAN—Mike (Shorty) Anderson of Cathedral is all smiles as he relaxes after last night's 49-38 triumph over Tech. Anderson scored 28 points to pace the Panthers. Last week slump-ridden Shorty was walking around the locker

Classical Must Stop Moriarty, Defeat Cathedral to Snarl Race

Panther Forward, Hot in
Previous City Games,
Key Man Tonight

By JOHN F. CHEVALIER

Here is today's reading lesson—a study in declarative sentences.

Cathedral High has played eleven basketball games.

Three of them have been in the Interschool League.

Hugh Moriarty scored a total of 44 points in the three city games.

Cathedral has won them all. Eight of Cathedral's games have been against independent opponents.

Moriarty scored only 20 points in these eight tilts.

Cathedral has won two and lost six.

The moral to today's story: If a city team can stop Moriarty, it can beat Cathedral.

* * *

This lesson in logic (perhaps it's even a syllogism) has been drummed into the brains of the Classical High basketball players who face Cathedral tonight at the Field House.

If they can put a leash on Moriarty and halt Cathedral, the Interschool race will be thrown into a three-way tie.

The Bulldogs and Panthers at 8:30, following the Trade-Commerce match. That 7 p. m. opener pairs two teams that are seeking their first city triumph.

A large crowd, which undoubtedly will include the Tech team, is expected for the feature attraction. Coach Gerry Foley's Tech team is most interested because it will be tied for first place with Cathedral and Classical if the Bulldogs pull it out.

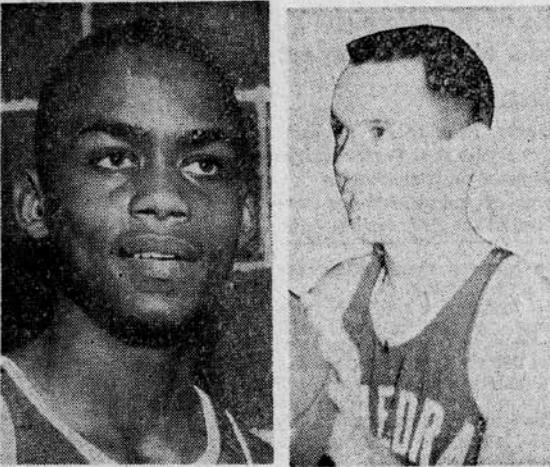

* * *

Because he has such good shooting luck on the Field House floor, Moriarty is a key man. His 19 points ruined Tech in a showdown clash two weeks ago.

"He'll start — that's for sure," said Cathedral Coach Billy Wise yesterday. "He will score well against any zone defense, but we'll have to wait and see how he does against Classical's man-to-man."

With Moriarty, a jump-shooting lefthander, at forward and Tom Rogan on the bench, Mike Anderson will move into the high post position for the Panthers. Ralph Moore will play the other corner with Mike Shea and Bill Wise Jr. at guards.

Anderson has been Cathedral's most consistent scorer, but Coach Wise is dissatisfied with his passing and faking. The 6-1 senior, whose nickname is "Shorty," will try to do

FORWARD FOES—These two forwards will face one another when Classical and Cathedral square off in an Interschool game tonight at Springfield College Field House. Marion Jenkins, left, is one of Classical's top rebounders, while Hugh Moriarty, right, has scored important points for Cathedral in city games this year.

Mike Shea Becomes School Star As Cathedral Takes City Crown

By JOHN F. CHEVALIER
Billy Wise's reverse psychology has succeeded again.

The Cathedral coach—who has insulted, threatened, and criticized backcourt man Mike Shea all season—sat back and watched the ex-Catholic Leaguer become a star last night as the Panthers won the Interschool basketball crown.

Shea, a scrapper in every game this year, tossed 24 points as the Panthers rallied to defeat determined Commerce, 59-55, and clinch a Western Mass. Tournament berth.

A driving basket with 28 seconds left made Shea the hero in this come-from-behind-under-pressure effort by Cathedral.

Wise Remarks

Some of the things coach Wise has said about Shea this season sounded like this:—

"He's strictly a Catholic League ball player."

"He got so many headlines in that league he'll trip over his press clippings."

"I shouldn't even use him—he's a senior."

"He shoots too much."

"I should bench him to give Steve Cybulski some experience for next year."

But, you'll notice, Mr. Shea has started every Cathedral game this year and has played in the crucial moments. No more does he attempt flashy passes or silly shots—he's the hustling, smart type of guard that Wise wants.

When the Panther coach admitted that Mike "played a pretty good game" last night, that was momentous praise for the youngster.

Shea had to come through

MIKE SHEA, CATHEDRAL

is a solid starter now, and will help the Panthers in their tourney assignment next Tuesday against St. John's.

Ralph Moore's fourth period rebounding, Bill Wise, Jr.'s floor play, and key foul shots by Hugh Moriarty contributed to Cathedral's team victory. It was a heartbreaker for Commerce which played good basketball except for some unnecessary fouling.

HOOP-DE-DOOINGS: In last night's Field House opener, Trade edged 48-46 . . . the Tigers, Beavers, and Red Raiders thus end in a triple tie for the city cellar . . . just last week Tech was hoping for a triple tie for first place . . . only Ed Moriarty played good ball for the Tigers down the stretch . . . Shea's Driving Basket Proves Decisive as Panthers Top Inspired Raiders; Trade Beats Tech, 48-46

Guard Mike Shea went for a long drive through a Commerce full-court press to score the decisive lay-up as Cathedral triumphed, 59-55, to win the Interschool League championship before a frantic 2200 Monday night at the Field House.

Will Play St. John's

Cathedral's victory—which came only after 32 minutes of hard work against an inspired Raider foe—also means that the Panthers, despite their 9-10 record, qualify for the Western Mass. Tournament next week. They'll meet St. John's of Worcester.

Commerce, playing excellent ball all night, made few mistakes, but one of them came at the worst possible time—with only 32 seconds left in the game.

The Raiders had forced a 55-55 tie with 35 seconds to go as guard Reuben Green turned

Devlin Scouted Cathedral, But Didn't See Everything

By JOHN F. CHEVALIER

Bob Devlin, basketball coach of St. John's Prep, watched Cathedral clinch the Interschool League championship with a 59-55 victory over Commerce Monday night.

As he left the Field House, he must have figured "Stop Mike Shea and Jim Clarke, and you stop Cathedral."

If he relies too heavily on this belief, he might see his club upset Tuesday in the opening round of the 23rd Western Mass. Tournament. Cathedral and St. John's will clash in the 9 p. m. game.

Overlooked Anderson

What Devlin didn't see was the scoring power of Mike Anderson, the shooting ability of Hugh Moriarty, the inside floor play of Bill Wise, Jr., and the rebounding of Ralph Moore.

Anderson's performance against Commerce hardly merited a notation in Devlin's scouting book. Shorty scored only three points, and fouled out with seven minutes left in the game.

If Anderson comes up with a hot night against St. John's, Devlin may be shocked. Certainly the Cathedral sharp-

Cathedral and Smith Underdogs Tonight

RALPH MOORE
(Cathedral Center)

Smith Academy, with a sparkling 19-1 record and Cathedral, with a lack-luster 9-10 figure, are underdogs for tonight's quarterfinal program in the Western Massachusetts schoolboy basketball tournament at the Field House.

Smith, champs of the Hampshire League and a 100-point club twice this season, will face Adams in the 7:30 opener. Tournament experience will be in both teams' favor in the 9 p. m. nightcap which pits Cathedral against St. John's of Worcester.

Tonight's attendance figures to top that of the Monday program, which attracted 3500 to the Field House. The tickets are sold out and none will be available at the door.

The basketball-mad towns

of Hatfield and Adams will be empty tonight. Smith Academy is making its first tourney appearance in 21 years, and the Hatfield fans aren't going to miss it. Adams sends 1000 rooters to the Field House every year.

Bob Kovalski, the 6-6 center with a 30.1 average, will be the center of attraction in the Smith-Adams contest. Adams coach Chet Zabek, who hasn't been able to scout Smith, will instruct his players to keep Kovalski away from the hoop.

Other Smith starters are Ken Kulesza, Ed Malinoski, Jim Southard, and Tony Sysmanski.

Adams' has three outstanding players in John Aramata, Jim Chenall (a 6-4 junior),

and Tim McBride. Other regulars are Gary Glazebrook and Walt Stejda.

Cathedral has height and St. John's has fight. Their clash should be a close one.

Coach Billy Wise probably will produce two or three surprises with his team, which benefits by playing in the Field House all season. Panther starters are Mike Anderson, Jim Clarke, Mike Shea, Bill Wise, Jr., and Hugh Moriarty or Ralph Moore.

St. John's (18-2) coached by Bob Devlin, has an opening lineup of Bernie Cooney, Bill Shields, Mike Falvey, Bill Norkaitis, and Bob O'Brien. Their scoring is balanced, with Norkaitis "hot" in games of late.

Cathedral Nine Trips Holyoke Catholic, 3-2

Walk With Bases Loaded in Ninth Settles Game;
Moriarty Winner in Relief

By GARRY BROWN

A walk to Gary Moltenbrey with the bases loaded in the last of the ninth brought a sour end to what had been a thrilling pitching duel as Cathedral edged Holyoke Catholic, 3-2, in its opener Friday at Van Horn.

Victim of his own shortcomings was Jim Corley, who had been extremely tough on the green Panther team until the last frame. The winner was lefty Hugh Moriarty, who sparkled in two innings of relief—and also strolled home with the winning run.

Spafford Hurls Well

Another hot hurler in this game was sophomore Jimmy Spafford, who worked seven innings for Cathedral in three-hit style. Hard-throwing Jim finally was lifted when he began to get too wild to suit coach Billy Wise.

The rivals scored in the second inning, then Cathedral went ahead in the fifth on Ralph Moore's RBI double. Catholic, however, forced a 2-2 deadlock in the sixth as Breen Fallon drove home Mark Mengel.

Corley escaped big trouble in the seventh when right fielder Charlie Coffey made a brilliant catch of George Cornwell's home run bid. Coffey raced far to his left and reached over the fence to snag Cornwell's smash.

The Holyoke Catholic pitcher had allowed only five hits going into the ninth, but the Panthers got to him for two more blows which set up the winning flurry.

Shortstop Bill (Scooter) Scuderi opened with his third hit, a single to left. Pitcher Moriarty messed up his sacrifice attempt, and reached first as Scuderi was put out at second. Cornwell kept Cathedral going by stroking a solid single to right.

Peretti Pops Up

Corley seemed to be pulling away from trouble when third baseman Bob Peretti popped up for the second out. The Gaels then passed Ralph Moore intentionally, and up came Moltenbrey with the bases full.

Corley threw three balls, put across a strike, then tossed ball

Cathedral Team Prospects Dim

By GARRY BROWN

Cathedral hasn't had many bad sports years under canny coach Billy Wise—but this is one of the few. The Panthers were winless in football, and had to struggle for an 11-12 basketball record. With baseball approaching, Wise admits that he doesn't expect much there, either.

Cathedral usually is at the top—or very near it—in all major sports. This season, however, Purple fans are suffering through one of the rare talent letdowns at the school.

No Standout Pitcher

Only the hockey team, which finished a strong third, has offered much to cheer about so far.

Will this so-so situation continue in baseball?

"I'm afraid so," Billy says. Looking over our list of candidates, I don't see a really good pitcher, and that's the main thing in high school baseball."

* * *

The veteran Cathedral coach put off plans to start practice Tuesday, and instead will take his squad outside for the first time Thursday at Emerson Wight.

"We've got a lot to do," he says. "We have only two really good kids back."

Those two are catcher Skip Berte and infielder Larry Brissette. Both can hit and are good defensively.

Berte, in fact, could develop into the top catcher in Western Mass. He's big, throws well and can blast the long ball. Skip is looking forward to his third season as Wise's No. 1 backstop.

* * *

Wise has produced several Standout pitchers in the last few years, but he doesn't have an ace this season. He has won four Western Mass. baseball crowns—in 1948, '51, '54 and '56. In that span, Cathedral had such hurlers as Ed Dunn, Joe Murphy, Bobby LaPorte, Al Hedin, Jim Krumsiek, Fran Maloney and Ray Brunton.

This season, Wise hopes to come up with something from Bill Sheehan, Chuck Gallagher, Hugh Moriarty, Vin Massaro, Ralph Fiore and Andy Scibelli, but the mound prospects aren't promising.

"Everything is wide open on the ball club," Billy r

ports. "We need help at every position."

The outfield best fits that category, with top performers Bob Plasse and Skip Buoniconti lost through graduation. In the infield, Wise has Frank Bermani, Dick Ashton, Jim Sullivan, Bill Bousquet, Bob Scudieri, Dick Costa, Walt Zawrotny and Vin Fiore as candidates along with Brissette.

Bob Peretti is the only outfielder with experience.

Tech and Cathedral Meet This Afternoon

Well-Matched Rivals Clash in League Game;
Five WM Teams Remain Undefeated

By GARRY BROWN

Harry Anderson of Tech and Hugh Moriarty of Cathedral—question-mark pitchers at the beginning of the season—probably will draw the starting jobs today in an important Interschool League game at Blunt Park.

Anderson, an infielder for two years with the Tigers, opened this season at second base. New coach Phil Hart also hoped that Barry could do some hurling, but wasn't sure how effective he would be.

Surprise for Wise

Anderson proved himself quickly. He defeated heavy-sticking Holyoke with a two-hit shutout, and followed that with a victory over defending Valley League champion Greenfield.

At Cathedral, coach Billy Wise also had his doubts about Moriarty. The wiry lefthander possessed good stuff, but for two years produced little in the way of victories.

Hugh, however, provided his coach with a pair of pleasant surprises. He worked in relief against Holyoke Catholic and won while looking fast and sharp. He did even better his next time out, throwing a walkless one-hitter against Commerce.

So, if Anderson and Moriarty go today as expected, the old city rivals should put on quite a battle. This game will mark Tech's league opener. The Tigers also have to face defending champ Classical later this week.

Classical will seek league win No. 2 today at Forest Park against Commerce, which is improving rapidly thanks to the return of previously-ineligible Bob Vernadakis, a pitcher, and Bob Donahue, a good infielder.

Amherst Tops Cathedral, 4-3, With Home Run

McCullough Settles Game In Seventh; Moriarity Is Injured

AMHERST—Bob McCullough's home run in the last of the seventh gave Amherst High a 4-3 victory over Cathedral High of Springfield here Tuesday afternoon. The triumph was the fifth of the season for Amherst against one defeat.

Comes From Behind

The Amherst team put on a three-run rally in the bottom of the third to tie the score after Cathedral scored twice in the second inning and once in the third.

The Amherst rally also cost Cathedral the services of pitcher Hugh Moriarity who suffered a spike wound on the leg in a play at the plate. Seven stitches were needed to close the wound.

Cliff Allen went all the way on the mound for Amherst and did an outstanding job, striking out 10 Cathedral batters. Summary:

Commerce Chucker Puts Out Panther

Ralph Moore, left, of Cathedral, is out at first in close play in sixth inning of game with Commerce Thursday at Forest Park. Bob Vernadakis, the Commerce pitcher, is shown making the putout after taking throw from second baseman Austin Kimball. The grounder went through the first baseman but Kimball was there to make the play. Cathedral won, 2 to 0.

Panthers Take Interschool Opener Over Commerce, 2-0; Single in Seventh Spoils Gem

By JERRY RADDIN

Cathedral High, buttressed by the one-hit pitching of Hugh Moriarty, turned back stubborn Commerce High, 2-0, in an interesting Interschool League opener Thursday at Forest Park. Pete Hammarstrom's line single to left with two out in the seventh deprived the Panther southpaw of a no-hit, no-run gem.

Vernadakis Stars
Moriarty, a hard-thrower with a lot of poise, was a little bit too overpowering for the Red Raider batters. He struck out eight and didn't walk a man—a rarity for a high school lefty.

The Panthers picked up an unearned run in the fourth and a final marker in the eighth to account for the game's only scoring.

Commerce pitcher Bob Vernadakis also did an extremely commendable job. The right-hander went the distance and allowed only five hits. He walked four and struck out the same number.

In the Cathedral fourth, Bob Peretti led off with a Texas League double. He was pushed to third on Ralph Moore's single to center. Then, when the

Moriarty Key in Cathedral Surge

Southpaw Picks Up Third Victory as Mates Top Tech, 13-1

By JOHN E. SEARS

Billy Wise's search for a "stopper" on the Cathedral pitching staff ended yesterday at Blunt Park as senior Hugh Moriarty came into his own with an 18-strikeout effort against Tech's free-swinging crew.

Moriarty, somewhat of a problem for two years for the Purple mentor, proved in three victories thus far this spring that he has gained the poise and control that make any southpaw chucker tough to beat.

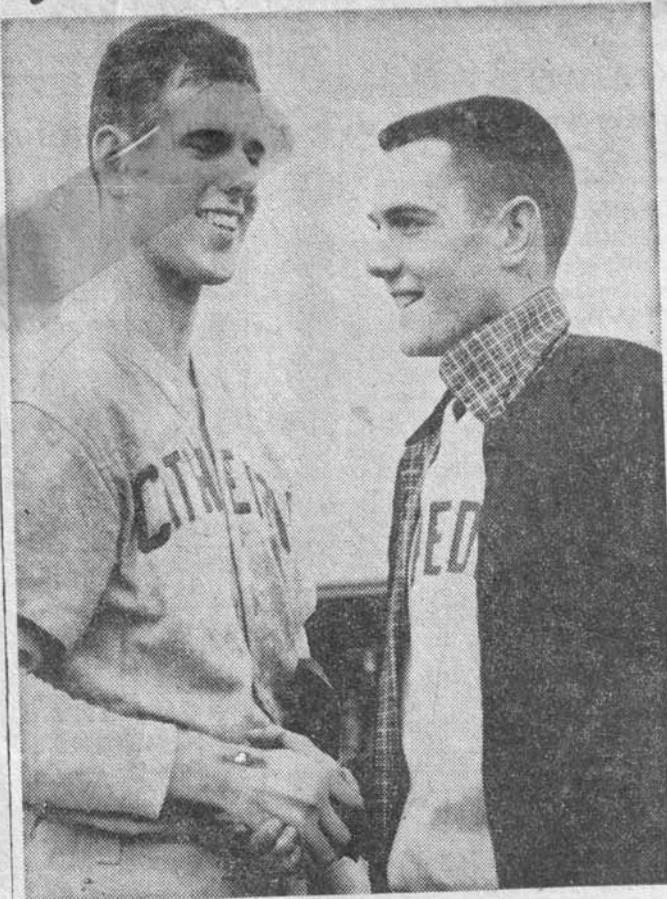

Against Tech, Moriarty issued only four walks, as Cathedral coasted to a surprisingly easy 13-1 victory. He won the Panthers' opening contest against Holyoke Catholic, 3-2, in relief and didn't walk a man last week as he set down Commerce with one hit.

The victory sent Cathedral into a tie for the Interschool lead with Classical. The Bulldogs, defending champs, received some classy chucking from junior portside Danny Oates in a tight 2-1 victory over Commerce. Both the Purple and Classical own 2-0 city records.

Oates fanned 14 Red Raiders and allowed only two hits. Moriarty was touched for three but the Cathedral flinger scattered them effectively. Oates now stands 2-0 for the

Ralph Moore, one of the area's top slingers when he connects, found the range against Barry Anderson of Tech yesterday as he drove home six runs with a homer and two singles. Danny Burke was another consistant Panther at bat with four hits. Saturday against Holyoke he had two, giving him 6-for-11 in two games.

Bobby Vernadakis continues to hurl in tough luck. Yesterday he bowed to Classical as Oates kept his Commerce mates in check. Vernadakis allowed only five hits but Rod Norris and Ray Yando put two of them together to push home the winning Bulldogs run in the ninth.

Cathedral Starts Fast To Drub Tech by 13-1

Moriarty Tosses Three-Hitter, Fans 18; Moore Cracks Homer, Drives in Six Runs

By GARRY BROWN

The "law firm" of Moriarty & Moore threw the book at Tech as Cathedral cruised to a 13-1 victory Tuesday afternoon at Blunt Park. This marked Cathedral's second straight win in the Interscholastic League.

Hugh Moriarty, son of Lt. Thomas P. Moriarty of the Crime Prevention Bureau, pitched a three-hitter and struck out 18. This lefthander, whose fast curve comes out of nowhere, now holds a 3-0 record.

Four-Run Rally

Moore, also a law man since his father, Ralph Sr., is a Springfield patrolman, sparked the hitting. He collected a three-run homer in the second inning and finished with three-for-four and six RBI. Moore's homer featured a four-run rally which projected Cathedral into an early 7-0 lead.

Rain almost wiped out Cathedral's good work. The Panthers grabbed a 3-0 lead in the first inning, then rain stopped play for 10 minutes in the last of the second.

The shower let up, however, and the teams came back. Two batters later, the big, lefty-hitting Moore cracked a high drive to right center off Tech starter Barry Anderson. Three runs came home, and that was just about the ball game.

Eight of 11

Moriarty struck out eight of the first 11 Tech batters. Only in the eighth, when he got the Tigers one-two-three, did he fail to fan somebody.

Cathedral, after grabbing its quick 7-0 lead, added three runs in the third, two in the sixth and one in the eighth. Tech used five pitchers and a total of 17 players, but couldn't do anything about Cathedral. The Panthers racked 14 hits, including four by sophomore first baseman Danny Burke.

Anderson was the loser. He just didn't have it in this one. He entered the game with a 2-0 mark. Cathedral is now 3-1 overall and Tech 3-3. Summary:

Utility man—Jack Gates, St. Mary's.

* * *

We feel that this all-diocesan team could stand up against any all-star club in Western Mass. The infield contains four capable fielders and steady hitters. The outfielders are defensive standouts and heavy stickers. The catcher fits the same description. Chalifoux was one of the top catchers around, being outshone only by Pittsfield's Ken Kins.

As for the pitchers, they're capable of beating any high school foe. In the utility role, the all-diocesan squad had a strong two-way performer in Gates, a .300 hitter and fair pitcher.

* * *

The all-star squad includes eight seniors, three juniors and two sophomores.

The sophs are pitcher Walsh and first sacker Burke. The juniors are Bertrand, Cornwell and Pietras.

* * *

Pietras, although he wasn't the best fielder around, is a must for the team because of his .425 batting average which made him the top hitter in Western Mass.

Burke and Cornwell gave Cathedral's attack punch. They hit steadily and also gave coach Billy Wise nothing to worry about defensively on the right side of his infield.

Bannish at third base has been a St. Mary's regular for three years. He had another fine season.

In the outfield, McKeever was the only bright light on a poor St. Joseph's of Pittsfield club. Billy handled his position surely and batted .302. He also was picked on the all-diocesan basketball team.

McKeever's outfield mates, Pijar and Tracy, were versatile stars. Pijar played the outer garden and infield for coach Billy Reynolds. Tracy hit over .300 as a left fielder and also helped himself to a 4-1 pitching record.

* * *

The pitchers are led by Moriarty of Cathedral, a left-hander who blossomed into a standout this spring after three so-so seasons. Hugh mastered his control finally and was able to curve his way to a 6-2 record. His only losses were two against Classical's city champs. In both games, Mo pitched well enough to win, but his mates failed to back him at bat or in the field.

Walsh of St. Joseph's also rated raves. He made a 4-2 mark in the tough Northern Berkshire League, losing two close ones to champion Pittsfield. Walsh hurled a two-hitter the second time around, but lost as Pittsfield's Joe Costanzo picked that game to throw a no-hitter.

Walsh showed remarkable poise and stuff for a sophomore. He should be a standout in the next two years.

Bertrand and Greaney didn't have exceptional records, but no one doubts their ability. Bertrand enabled St. Michael's to finish third in the Hampshire League in the Archangels' best showing in years. Greaney threw the ball as well as anyone in the Valley League, but didn't have a good club behind him.

Cathedral in 2-1 Win Over Amherst

Berte Scores On Wild Pitch in Ninth to Break Up Pitching Duel

By GENE McCORMICK

Skip Berte scampered home from third base on a wild pitch by Cliff Allen in the ninth inning to give Cathedral a 2-1 victory and spoil an otherwise fine performance by the young Amherst Regional southpaw yesterday afternoon at Blunt Park.

PETERSON Triples

The loss was a heartbreaker for Amherst which had battled back to tie the score in the ninth as Allen hooked up in a real scorcher with Cathedral lefty Hugh Moriarty.

Moriarty, making his first start for the Panthers, turned in a standout job. He gave up six hits, struck out 10 and issued only three walks.

Cathedral found Allen just as tough. The frosh hurler was seeking his fifth straight victory without a loss and came within a hair of gaining it. He was touched for five hits, struck out five and allowed but a single walk.

That one walk can "kill" you

at times and in yesterday's case set the stage for Cathedral's victory.

Allen walked Berte to start the ninth. Vin Fiore did his job well and sacrificed Berte to second. Pinch hitter Dick Marsh grounded out to second with Berte moving to third. Then with opposing pitcher Moriarty at the plate Allen threw a pitch low into the dirt which substitute catcher Ernie Peterson couldn't dig out. The ball rolled to the backstop and Berte scooted home.

Peterson was the hero of Amherst's comeback. The Hurricanes were down to their last three outs when they bounced back.

Vic Tidlund reached on an error by second baseman George Frigo. He was forced at second by Jim Hardy's ground out. Then Amherst coach Alex Johnston sent up Peterson to pinch-hit.

The righthanded hitting Peterson smashed a pitch deep to right field. Hardy scored easily, but a terrific peg home by right fielder Skip Buoniconti held Peterson to a triple.

Brissette Triples

Amherst tried to squeeze Peterson home but Steve Smith fouled off an outside pitch on the try. Smith and Bob McCullough then

grounded out for the second and third outs.

Cathedral scored its first run in the first. Then for the next seven Allen was a terror as he stranded five Panther runners. At one stage he retired eight in a row.

Larry Brissette tripled in the first and went all away around to score when center fielder Bill O'Brien dropped a relay from right fielder Tom Patrick.

Moriarty was particularly effective when in trouble. He stranded 10 altogether and got out of deep trouble in the second and fourth innings.

The defeat was Amherst's second as against 11 triumphs. It's only other loss also came at the hands of a city team—Classical. Cathedral's mark is 3-4.

Amherst was forced to play without three regulars. Regular third baseman Frank Crowley and shortstop Tony Prucnal are both ailing and catcher Bob Parkinson was unable to play.

Three Cheers

Three cheers for our Cathedral High
Send forth your hurrahs
piercing the sky,
While our players brave and strong,
Catch up the echoes of our song,
What tho' the odds be, great or small,
Cathedral high will win over all,
While her loyal sons are marching,
Onward to victory -- rah rah rah

School Days

School Days, School Days,
Dear old golden-rule days;
Readin' and ritin' and rithmetic,
Taught to the tune of a hickory stick;
You were my queen in calico,
I was your bashful, bare-foot beau.
And you wrote on my slate,
"I love you, Joe"
When we were a couple of kids.

Oh My Darling Clementine

In a cavern, in a canyon
Excavating for a mine,
Dwelt a miner, forty niner,
And his daughter Clementine.

Drove the ducklings to the water,
Every morning just at nine,
Hit her foot against a splinter,
Fell into the foaming brine.

Refrain:

Oh my darling, Oh my darling,
Oh my darling Clementine,
You are lost and gone forever,
Dreadful sorry, Clementine.

Now Is The Hour

Now is the hour
When we must say goodbye
Soon we'll be leaving our
Cathedral High
While we're away we'll ne'er
Forget our friends
God guide each one of us
'til we meet again.

I've Been Working On The Railroad

Oh, I've been working on the railroad
All the live long day.
I've been working on the railroad,
Just to pass the time away.
Don't you hear the whistle blowing?
Rise up so early in the morn.
Don't you hear the captain shouting:--
"Dinah, blow your horn!"

Oh! Susanna

I came from Alabama with my banjo on my knee,
I'm going to Louisiana,
My true love for to see.
It rained all night the day I left,
The weather it was dry:
The sun so hot I froze to death:
Susanna, don't you cry.

Refrain:

Oh! Susanna, oh, don't you cry for me,
For I'm going to Louisiana with my banjo
on my knee.

CATHEDRAL HIGH SCHOOL

OBJECTIVES

Membership in any society imposes certain obligations in addition to the privileges enjoyed by fellow members. For Cathedralites, co-sharers with and contributors to an intellectual world, this presupposes a definite understanding of the word conduct. Conduct is self-discipline; it is choosing the right in opposition to the wrong; it is developing a strong character; it is cheerfully accepting pleasant and unpleasant situations; it is assuming responsibility.

A Cathedralite is expected to study and personalize each of these basic principles. He practices self control at all times; he thinks -- then acts; he is a leader in all that is good; he stands firm when virtue is assailed; he assumes responsibility in society.

The name CATHEDRAL HIGH SCHOOL symbolizes the ideals to be achieved by each of her students. A CATHEDRAL Church is at the helm of the diocese... Cathedralites then should be leaders in every phase of human endeavor. HIGH signifies great heights... Cathedralites direct their conduct that they may attain the heights of heaven. SCHOOL is a place of learning. Cathedralites have at their disposal a completely modern building equipped with every facility to train them to become successful in time and eternity.

The education obtained at Cathedral High School made possible by sacrifices of untold benefactors and a dedicated faculty teaches Cathedralites to labor for God's honor and glory in the service of their fellow men, and thereby achieve their eternal destiny.

In summation, the aim of the educators at Cathedral High is synonymous with that defined by Pope Pius XI "...to co-operate with divine grace in forming the true and perfect Christian."

ABSENCE: Since no amount of personal study can replace the teacher's explanation, the faculty requires strict attendance at classes. Students and parents must realize that repeated absence necessarily results in lower grades.

1. Truancy consists in being inexcusably absent from class without authorization.
2. Absence shall be reported to the school office by the parents between 8:20 and 9:20 A.M. Telephone RE70285. If this is not done, the absence shall be considered truancy.
3. A written note signed by the parent stating the date of absence and the cause for it shall be presented to the attendance office no later than 8:30 on the morning the student returns to school. He shall then be given a re-admission slip. This must be signed by each of his teachers only when all make-up work is done. This slip must be returned to the attendance office when all signatures have been obtained. Report cards will be withheld until all work due to absence of any kind--sickness, death in the family, etc. has been made up.
4. All work lost through truancy must be made up at detention.
5. Absence for over five days requires a nurse's certificate of health upon the student's return.
6. Any student dismissed from class for any reason must report to the vice principal's office.
7. If the student is sent home because of illness, the parent must notify the school of the student's return home within a half hour of arrival.

1. The uniform for girls consists of a plaid skirt, green blazer jacket white blouse, socks, and saddle shoes.
2. The uniform for boys consists of a suit coat, shirt, and tie. The gray blazer adopted by many of the boys is optional.

4. No student can adopt odd or unusual hair styles. Cleats, metal taps, string ties cannot be worn.

expulsion and restitution. Students are not allowed to bring ink into the school building. Spiral binders and note books are not to be used.

DISCIPLINE:

Young Catholic men and women should act as such.

1. Conduct on busses should be above reproach. Loudness of all kinds should be avoided in busses and on school grounds.

8. Willful failure to report to detention will mean suspension.
9. No student shall enter a classroom with a message without knocking and waiting for the door to be opened. If the messenger is a girl, all boys shall stand.
10. Running and pushing are never allowed in the school building.
11. Any disrespect or disobedience shown to a faculty member may result in expulsion.

If these rules are learned well now, they will govern the student's actions in later life.

EXPULSION:

Any student guilty of an extreme breach of discipline is liable to expulsion. Some of the reasons for expulsion are:

1. Habitual or gross violation of school regulations.
2. Membership in or participation in activities of sororities, fraternities, and clubs not sanctioned by the school.

Parents' cooperation is heartily solicited in this matter since it is a safeguard for the happiness of all.

STUDY:

1. During the course of each quarter, scholarship warning cards are sent to the parents when necessary to indicate deficiency in study.
2. Parents are particularly urged to see that students devote the necessary time to home study. The preparation of courses requires three hours in home study over and above the study time given during the school day.
3. Reports are to be signed in ink by the parent and returned within two days.

4. Report cards are given out the week of

November	9 - 13
February	8 - 12

June	21 - 24

Parents are asked to examine these cards carefully. If they indicate failure in any subject, or a low conduct or application mark, the parents are asked to contact the vice-principal at once.

Mel Montemerlo	9619 Villagesmith Way Burke, VA 22015	montemerlo@gmail.com	Married 41 years, 3 children, 4 grandchildren	I worked at NASA for 30 years (Aerospace Human Factors, then in Space Robotics and Automation). During that time, my program developed the technology that was used on the Sojourner Rover that landed on Mars. I spent the last decade in Astrophysics, as Hdq Program Manager for the SWIFT, WISE, Herschel and Planck spacecraft.	Since January, 2008.	I have been doing woodwork as a hobby since 1968. I design and make furniture, and do woodcarving. I also make bowls from slices of recently fallen trees. I also do a good deal of genealogy. It turns out that the Montemerlo family existed in Tortona, Italy before the year 1100 (A.D. of course, :-) But my biggest hobby nowadays, if you can call it a hobby, is playing with my grandchildren.	Sister Loretto Thomas told five boys from her Mechanical Drawing class that they had been set up with dates for a prom with girls from a nearby school at which the Sisters of St. Joseph taught. She said that all girls should go to the Prom, and she was doing her part to make that happen. Of course, all five of us went along with it.	Sr. "LT" (Loretto Thomas) who taught Mechanical Drawing	The Cathedral years were good years. It has been a great deal of fun working on the program committees for the 40th and 50th Reunions. I am looking forward to seeing you all at the 50th reunion (and the 60th, and the 70th.....)
